Arequipa - Perú

Dear brothers and Sisters

Greetings and prayers to all of you.

By the grace of God, I have been consecrated as Suffrage Bishop, in the day of The Lord on July 25th. It was a very special day in my life. I accepted the episcopate with all its privileges and responsibilities. I hope to do the will of God in the Church that our Lord Jesus Christ loved and gave himself for it, with my help and guidance of the Holy Spirit.

I greatly appreciate your prayers, messages and blessings to my episcopate. THANK YOU To everyone.
